Wireless Over-Ear Headphones

Features and Benefits

JBL Signature Sound

50mm drivers and a sound signature that can be found in the most famous venues all around the world.

Get help from your voice assistant

Play your favorite playlist, text your friend, check the weather and much more by simply tapping the ear cup to activate the Google voice assistant or Amazon Alexa. Use the all-new JBL App to easily set your preferred voice assistants.

Ambient Aware and TalkThru Technology

Don't let the music stop! Stay in touch with your surroundings while listening to your tunes. A touch of the Ambient Aware button increases the ambient sound and lets you hear what's happening around you. The TalkThru mode drops the music level down, allowing you to talk to your friends without removing your headphones.

30 Hours Battery Life | 2 Hours Recharging Time

Rock on non-stop for a full day or more and enjoy super-fast recharging if that's not enough.

15 minutes charging for 2 hours playtime

A quick 15-minute charge lets you extend the fun for an additional 2 hours.

Hands-free calls

Stay in touch with your world by managing calls with the buttons on the ear-cup. When the battery is flat, just plug-in the audio cable and continue listening and chatting.

Multi-Point Connection

Allows you to effortlessly switch from one Bluetooth® device to another. You can simply switch from a video on your tablet to a call on your mobile phone, so that you'll never miss a call.

My JBL Headphones App

Personalize your listening experience by tweaking the JBL LIVE500BT sound preferences via the free My JBL Headphones App.

Comfort-fit fabric headband

Shaped around your head with a fitting fabric headband and soft ear cushions, the LIVE500BT are super comfy.

Detachable cable with remote & microphone

When the battery is flat, just plug-in the audio cable and continue listening or chatting.
